

FISCAL NOTE

SB 1050 - HB 2132

March 31, 2005

SUMMARY OF BILL: Requires that an applicant for a driver license or a certificate of driving (CFD) must provide his or her social security number or documentation issued by the United States Government authorizing the applicant to be in the United States. Deletes the provision of current law that allows an applicant who has never been issued a social security number from completing an affidavit stating such. Deletes the provision of current law that requires applicants under the age of eighteen to present documentation of compliance with truancy laws. Deletes the provisions of current law that exempts the reinstatement fee for first-time applicants who are eighteen years of age or younger whose driving privileges have been suspended for truancy.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues – Net Impact – Exceeds \$350,000

Decrease State Expenditures – Net Impact – Exceeds \$25,000

Increase State Expenditures - \$15,000 One-Time

Assumptions:

- The provisions of this bill would, in effect, eliminate the CFD.
- Persons currently holding a CFD who have documentation issued by the United States Government authorizing the applicant to be in the United States would be eligible to receive a driver license.
- A decrease in state revenues from not collecting a CFD fee on an annual basis.
- A decrease in state expenditures from not issuing a CFD on an annual basis.
- A not significant increase in state revenues from the collection of reinstatement fees.
- A not significant increase in state revenues and expenditures from the issuance of driver licenses to persons who no longer have to comply with truancy laws to receive a license.
- A one-time increase in state expenditures for computer system changes.
